#### Order of Service

Order

An Order of Service assists with the smooth running of the funeral as well as being a unique and special keepsake for all your family and friends to remember the deceased.

Even those unable to attend the service will be able to privately say goodbye.

Should you wish to have an Order of Service produced for the funeral of your loved one, we can help you to create a high quality booklet for the service.

Your Order of Service can be completely personalised to include anything you would like, whether it be a hymn, a photo, a reading or something your loved one would have liked to be remembered for.

Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show you the styles that are available.

#### Truly personalised Orders of Service

Send us your own images and design ideas so we can create a truly personalised and individual Order of Service at no extra cost. This can reflect a person's particular life, passions, hobbies, favourite region, country or favourite flower.

Mum loved forget-me-nots; they were her absolute favourite! Could you create a design that uses a nice image of these flowers? Could mum's name on the front match the colour of the image you find?

We have a photo that you can use on the front cover, perhaps in an oval shaped frame? Can we also order a small Book of Condolence and a Bookmark to match the Order of Service?

Below are just a few examples of extensive coded designs that have been created to suit different requirements. Please note we are not able to use certain images/themes due to copyright restrictions.
